AAFAAQ, 16, using phone to record himself in selfie mood.

AAFAAQ

Yo wassup ma dudes. It's ya boy TAUFIQOOL here with my EAE video! I think I'm a good candidate because you see, I'm always looking for people's stories. When I meet girls I always ask 'what's your instagram?', 'what's your name?', 'do you have a boyfriend?'. If I meet a boy I also ask 'what's your instagram?', 'what's your name?', 'do you have a sister?'. I think I'm a good journalist because I write a lot of journals. I'm a good choice because I DREAM of the girl, she WRITE her number, then we MAKE out. Dream it, Write it, Make it. Peace out!
